JEFF'S 'NEW LOOK' SPEEDED

Last Of 1957 School Bonds Will Be Sold

High school trustees Monday night approved the sale of $965,000 in bonds -- the last of the $2,900,000 bond issue passed in 1957. Next April the district will go to the voters for approval of another bond-state aid proposal which will finance projected new construction the following four years.

Architect assignments were made for a $500,000 renovation of the gymnasium and $1 million in new construction at Jefferson High, plus the estimated $600,000 second increment at Westmoor.

Westmoor designer Mario Ciampi was given the Jeff gym project and Westmoor's second increment contract. Falk and Booth, architects in charge of Terra Nova High in Pacifica, were assigned the main building construction at Jeff.

Supt. Ed Morgan figures the Jeff gym renovation will take a year to complete and expects to be ready for bids early in 1961. The work will involve installation of locker and shower rooms under the present gym floor, new plumbing facilities, gym floor to gym balcony stairways, conversion of the upstairs band room into an apparatus room, and making the present locker and showers area into two new exercise rooms.

The $1 million job at Jeff will add 59,000 square feet around the existing substandard main building which will be torn down after the construction is finished. Student capacity then will be 1500 compared to the state's preferred Jeff assignment of 1100.

Second increment to Westmoor — a $600,000 expenditure at least—will add 31,000 square feet on the northwest corner of the campus. Construction is expected to start in September of 1961. Westmoor's new capacity then will be 2090 students. In view of bulging enrollments throughout the district, Supt. Ed Morgan and trustees may have to house more students at Westmoor before 1967 when total pupil population will ap-

New Bond Issue Is On Agenda

Discussion of a needed bond issue will be the main topic of Jefferson Elementary School District trustees in special study session this Friday night, 8 o'clock, at the district office, 48 Park Plaza drive, Westlake.

The board will also hear administrative reports on summer school and the district's third grade program.

Supt. Richard Foster said the board discussion is of foremost importance and urges parents and patrons to attend.

BEN FRANKLIN ADDITIONS TO COST $300,000

Elementary school trustees last week approved calling bids on a six-classroom addition and shower facilities at Benjamin Franklin School—an estimated $300,000 project with a summer of 1961 deadline.

Supt. Richard Foster told the board architect Angus McSweeney's plans for the Franklin work are before the Division of Architecture.

At the same meeting, trustees hired McSweeney as architect for the district's K-6 school to be built at the end of Market street below the Crocker hills. Negotiations for this site are in process with Lagomarsino Company and Crocker officials. McSweeney's fee will be 7½ per cent of total construction cost.

In other action last week, trustees:

1. Awarded heating maintenance contract for '60-'61 school year to Atlas Company for $2425.

2. Heard opening day enrollment report of 8190 children—1050 more than a year ago.

3. Accepted notice of completion on two classroom addition to Jefferson School on Allemany street.

4. Adopted revised leave of absence policy for district personnel, with one modification: in sabbatical leave section, removed age requirement. Henceforth there is no age restriction. .

5. Accepted letter of resignation submitted by Ruth Fisher, fifth grade teacher at Fernando Rivera in Westlake and former district librarian.

Delay On Furniture Stymies Opening Of New Main Library

Some of the new furniture for Daly City's new main library has arrived but not enough to make the Southgate avenue facility operational for an opening.

Librarian Sam Chandler has sent a tracer to speed the furniture shipment, and today he said the library may be ready for customers by late next week.

VERDUCCI WANTS TRACT OUT... ST. CLAIR, PACELLI 'DOUBTFUL'

Daly City councilmen Monday night in two resolutions officially severed the election-defeated Callan Park annexation.

Tempers were strained again when Mayor Frank Pacelli and Bob St. Clair, sanitation district directors who approved Callan Park inclusion in the sewage district, stood pat against a resolution introduced by Councilman Joseph Verducci that because Daly City voters decisively rejected the Callan Park annexation and the fact that Daly City comprises the major part of the sanitation district therefore the council should:

..."declare as a matter of policy that such steps as may be legally possible should be undertaken by the North San Mateo Sanitation District Board of Directors to cancel the annexation of Callan Park to the sanitation district, and that members of the Daly City council (Pacelli and St. Clair) who also are members of the board of directors of the sanitation district should explore such possibility (dis-annexation) with the counsel (attorney James Morton) for the sanitation district and report to this city council fully and completely all steps which may be undertaken to cancel the Callan Park sanitation district annexation—if at all possible to do so."

While Pacelli and St. Clair quickly voiced firm opposition to Verducci's proposal, Councilmen Micheal DeBernardi and Edward Dennis were agreeable to having Morton prepare a full report on the legality and possibility of dis-annexation. But neither DeBernardi nor Dennis would go along with Verducci's resolution.

St. Clair challenged Verducci's "mandate of the people" assertion that the Callan Park annexation defeat by Daly City voters likewise would lead to the conclusion that Callan Park should be dis-annexed from the sanitation district.

Chairman of the sanitation board, St. Clair answered Verducci: "We don't rule the sanitation board with an iron fist... the district comes under county jurisdiction. The board of supervisors would have to approve dis-annexation, but I don't think it's a mandate of the people, as you say, to get Callan Park out of the sewer district."

St. Clair then read a letter prepared for the sanitation board last week by their attorney, Morton, who described the district's policy in regard to Callan Park sewage arrangements. (The letter is on page 11.)

"The people of Daly City aren't bound at all," St. Clair emphasized, "to pay for any sewage costs in Callan Park... we have set up a separate tax maintenance district there and the burden rests with the developer. I'll be happy to have Morton make a report on the legality of dis-annexation, but I feel the matter rests entirely with the board of supervisors."

DeBernardi said he agreed "in part with the resolution (Verducci's) but I think we

THIERS STREET, BUILDING BIDS SAVE CITY $

Councilmen awarded contracts for $21,231 improvements to Thiers street and $10,449 for a city corporation yard storage building at Monday's meeting.

The low bidders were Lowrie Paving Company (Thiers project) and Armco Drainage and Medal Products Inc. Both jobs will take about two months for completion.

The Thiers improvements, cost of which will be shared equally by the city and Jefferson Elementary School District, first went to bid back in December of 1958. Low bid then was $24,561, but the council rejected all bids and modified the plans to reduce costs.

The prefabricated storage building also went to bid twice. First time the lowest bid was $14,575 compared to Armeo's successful $10,449 bid.

Councilmen complimented City Engineer Bill Chapman and his staff for the modifications and subsequent savings by the second-time bids.

Thiers street will be graded and paved and water lines and fire alarms installed from Lausanne to Florence and north on Florence into Vista Grande School. A fifteen-inch storm drain is the main cost item in the total project. It will run from Lausanne to Hillside boulevard.

The storage building, designed by Chapman, will include an office, toilets, room for six vehicles and public works equipment.

In other action, the council:

1. Set November 14 public hearing on proposed vacation of a portion of Bellevue avenue, requested by Panorama Builders in connection with their Southern Hills subdivision.

Chamber Exuberant On Hospital Move

Daly City Chamber of Commerce at last week's meeting heralded the Mary's Help Hospital transfer to Daly City as a "tremendous undertaking" and pledged full efforts to assist the hospital administration in working out arrangements and fund-raising assistance. Chamber President Louis Pisani said Mary's Help will give Daly City "the Bay Area's most modern hospital facility and certainly will stimulate local business."

ARCHITECT'S model of proposed $10 million Mary's Help Hospital, to be erected in eastern Daly City by late 1962 or early 1963, is shown local officials by Sister Hermine, administrator of the present Mary's Help which will be transferred here. Discussing timetable for the new hospital are (left to right): City Manager Edward Frank, Councilman Edward Dennis, Sister Hermine, Mayor Frank Pacelli, Chamber of Commerce President Louis Pisani and Frank Curry, Chamber hospital drive committee chairman. Cost of the 7½ acre hospital site was $265,000.

SCHOOL BOUNDARY STUDY COMMITTEE MEETS OCT. 11

Undeveloped Callan Park will be one of the main topics on October 11 when the subcommittee of the County Committee on School District Organization meets at Edgemont School, 500 Acacia avenue, San Bruno, at 8 p.m.

The subcommittee, headed by chairman Helen S. Kerwin, held its initial "north county boundary study" meeting May 24 and moved to postpone further action until after the Daly City annexation election on Callan Park.

Invited to the October 11 meeting are representatives of Jefferson Elementary, Jefferson High, San Bruno Park, San Mateo High, San Mateo Junior College, and South San Francisco school districts.

Celebration 'Slogan Contest' Opens..... $50 Bond Is Prize

You can win $50 savings bond if you submit the best name for Daly City's fiftieth birthday week celebration scheduled for May next year.

Co-chairman Mel Battye and Arthur Bodien opened the contest today. The deadline is October 19 and entries must be postmarked no later than that date at midnight. Address your entry to "Contest, Mel Battye, City Hall, 75 Wellington ave., Daly City."

The slogan chosen must be snappy and have enough appeal to theme publicity for the week-long celebration. Judge will be announced next week.

The committee meeting on September 20 at City Hall still left the exact dates of the celebration unresolved. It may be a seven-day multi-event affair or it could be shortened into a four-day weekend climax program. The next full committee meet will decide this matter.

Scheduled publicity committee meeting Tuesday night at 48 Park Plaza drive mustered only two members -- school principal David Willey and Roy Hurlbert of Marchbanks Publications. Also on the committee are Del Gore, Bob Brachman, Russ Couglin, McRobert Stewart and Jim Weston. Doelger publicist Buck Hannon resigned last week due to lack of time. Mona Baker of Marchbanks Publications joined the committee this week.

54 Endorse Petition Against Rest Home--- Applicant Loses Out

Application of a Santa Rosa woman to convert a residence at 3280 San Jose avenue into a rest home for the elderly was turned down by unanimous council vote Monday night.

The council's decision came on the heels of a petition signed by 54 citizens in the neighborhood against the proposed operation. The planning commission on September 14 approved the application.

Fred Vaznaugh, 3284 San Jose avenue, was spokesman for the petitioners. He said he did not believe the area was suited for a rest home due to the congestion, commercial businesses and heavy traffic in that vicinity.

Mrs. Dessie M. Conley protested that her references are "good . . . and I don't think a rest home would disturb the neighborhood . . . there is another rest home nearby on San Jose avenue in San Francisco."

She said she would like to convert the present four bedroom home into a facility for five or six ambulatory cases (persons 60 to 80 years old), and that her fees would start at $150 a month and higher according to the amount of service the patient required.

One reference made by Vaznaugh about "colored people" in the neighborhood brought a fiery answer from Councilman Bob St. Clair.

"Don't think for a minute," stormed St. Clair, "that any decision we make as a council is predicated on a person's race, color or creed."

City Engineer Bill Chapman said the home's present zoning was R-3 and that a rest home legally would be proper there under "special use" designation.

Mayor Frank Pacelli and Councilman Edward Dennis both cited the fact that Monday's application was the first one here for a rest home to their knowledge. There is no specific zoning for rest homes here. The Villa Sanitarium, operated by Joe Sarto, is the only local rest home. It has been in operation for many years.

Another petition was weighed by the council Monday — one from some 20 residents of the 400 block of Irvington street who want the recently installed two-hour parking limit signs removed because of the difficulty of access many of them have to their garages (sidewalk elevations aren't uniform).

Police Chief Roland Petrocchi surveyed both the 300 and 400 blocks a few months ago at the council's request after many residents in the 300 block asked for the two-hour limit signs. The council subsequently approved the limits and the signs were installed on the two blocks.

Ralph C. Hall, 14-year resident at 464 Irvington, Monday night declared that many on his block had to park their cars on the street because extreme sidewalk elevations made entry to garages difficult. The landlady at 472 Irvington also told the council her tenants had to park their cars on the street and "the signs will hurt my business."

The council agreed to keep the signs awhile longer, and at the suggestion of Councilman Micheal DeBernardi, instructed the city engineer to check on the sidewalks problems to see if improvements could be worked out. If these garageways can't be fixed, the council no doubt will remove the 400 block signs by resolution at their next meeting.

Fire Prevention Week Proclaimed

Daly City firemen will stress a year-around, nationwide appeal during Fire Prevention Week here, October 9 to 15.

Mayor Frank Pacelli has proclaimed the week locally and Fire Chief Elmer Kennedy's men will present a wide program to enlist the cooperation of adults and children on fire prevention techniques and safeguards.

In charge of the Daly City area program will be Kennedy's Fire Prevention Bureau crew of Bttn. Chief Frank Specht and Fire Captains Allen Brush and Ward Albee.

Cooperating in the "stress" effort are the Chamber of Com-

Another Episode In The Life Of A Cop

It's all part of the profession.

Police Officer Frank Murray went to 460 Irvington street Sunday at 5:45 p.m. to check out an "egg thrown at our garage door" complaint. A neighbor tot was apprehended as the tosser, and her mom said the egg would be removed.

Murray didn't get off so easy. The family dog at 460 Irvington bit him when he entered the home. Nothing serious, mind you, but Frank didn't appreciate it just the same.

WAVE recruiters? No, it's Daly City police department clerk-typists—Muriel Mermon (seated), Helen Sherwood and Josephine Runne—nattily decked out in official-like uniforms they purchased with their own money to promote identity and "team" spirit.

Muni Employees Hold Off Requests For Wage 'Adjustments'

Although Daly City's municipal employees intend to ask the council for salary adjustments, such a move did not materialize at Monday's council meeting. Neither group as yet has written the council officially to request new wage discussions, although both groups made this intention clear at the last personnel board meeting.

The employees this fiscal year got flat 3 per cent cost-of-living boosts. Most Peninsula cities awarded 5 per cent hikes.

first must have Morton's report on the machinery of dis-annexation before we as a council can set a policy."

"It's possible—I'm not exactly sure—that the only way Callan Park can be dis-annexed is by the board of supervisors," continued DeBernardi. "I'd like to know the facts first, instead of taking a blunt stand that will lead to friction with the supervisors who might have the final say, anyway."

Verducci's motion died for lack of a second, but he argued with St. Clair about the two councilmen's responsibility to Daly City as well as the county as sanitation directors.

"I think you two councilmen should have allegiance to Daly City as sanitation directors," insisted Verducci. "The reason you (St. Clair and Pacelli) are on the sanitation board is because you are councilmen and your allegiance should be to the city—not the county."

"But can't the county change the board membership...possibly put two men on the sanitation board to one councilman," asked DeBernardi.

"I'd like to know how we stand legally on this point," added DeBernardi. "I'm almost sure the board of supervisors can replace the councilmen on the board, but this point should be clarified before we set a policy."

St. Clair then "corrected" Verducci: "I didn't say we don't have any allegiance to Daly City as sanitation directors. But the district is established and governed by the board of supervisors. I think Morton's letter clearly explains our position and shows that Daly City taxpayers will not be affected by Callan Park sewer costs."

Pacelli then surprised the half-full chamber audience by inviting Verducci "to take my place on the sanitation board."

"Although you've been getting the minutes of our sanitation meetings," said Pacelli, "you seem to be in doubt about our actions there, so I would be happy to appoint you as my alternate on the sanitation board."

Pacelli explained that "as mayor, I'm automatically a member of the sanitation board, but if you want more questions answered, you can sit in my place anytime you wish."

"I think that's an excellent suggestion," snapped St. Clair.

Verducci replied: "I need some time to think this over... I may have to reject it because of lack of time (SF State duties), but put the matter in the minutes and I'll give you an answer at our next meeting."

St. Clair then moved to appoint Verducci alternate.

Quipped the mayor: "You'll be my alternate only...and you can get all the facts you want ...the duty pays $49.50 a month."

The Callan Park "severence" resolutions voted by the entire council nullified the April 12, 1960 annexation agreement and authorized Hupf to enter into a stipulation with the state attorney general to nullify emergency ordinance 515 which accompanied the council's 4-1 approved Callan Park regular annexation ordinance on April 11 this year.

proximate 9000 in the four schools.

The second Westmoor increment includes eight new classrooms, one chemical lab, two biology labs, one general science room, a woodshop and electric shop, and a mechanical drawing room.

The district next week hopes to advertise for bids on Oceana High in Sharp Park—a project that is at least six months behind schedule because Ciampi's plans had to be revised. Meanwhile, construction on Terra Nova High in Linda Mar is moving on schedule, and it should be ready for opening in September next year.

Oceana construction should start this November, and because this school won't be ready simultaneously with Terra Nova, as was expected, Terra Nova may go on an elongated day—eight periods instead of six—to accommodate all Pacifica youngsters.

For this proposal, Morgan is considering a Stanford prepared questionnaire to be filled out by parents, teachers and administrators to determine reaction to a proposed "elongated" program. It's possible Westmoor will have to accomodate the Oceana-assigned youngsters until the Sharp Park school is ready.

At Monday's meet, Morgan reviewed a letter he has sent the division of highways asking for maps on the proposed Cabrillo freeway route in front of Oceana in Sharp Park. Traffic problems for students will be acute there and the superintendent has so apprised the state.

Morgan told trustees Monday that the district's fifth high school site—acknowledging that Crocker estate development is many years off — logically should be located at the Skyline-Chinese cemetery road junction—on Callan Park property which is contiguous to the district's southern boundary. A site west of Skyline in the Sharp Park hills has been ruled out in favor of a more centrally located site between Oceana and Westmoor (recommended by the Stanford survey).

OBITUARIES

James W. McKell

Funeral services were conducted Friday for James W. McKell, 340 Winchester street, Daly City, who died September 20.

A native of Mississippi, he had lived in Daly City the past 48 years and was employed as a member of Cooks Union Local 44.

He was the husband of Elizabeth McKell, the father of Bennie D., James S., Margaret C. and Fred McKell, the brother of David and Paul McKell, Mrs. Daniel W. Ravesies and Mrs. W. B. Green.

Many hundreds of thousands more have been burned and permanently disfigured. The great tragedy of these statistics is that practically all of the deaths could have been prevented by the observance of the simple rules of fire safety."

Harnessing volcanic steam to make electricity is one of engineer Al Bruce's assignments. The project is near Geyserville where PG&E has constructed America's first "geyser" power plant. Natural steam formed deep inside the earth and coming to the surface through fissures and man-made wells turns the turbine-generator. This unusual power plant is adding to California's supply of low-cost electricity . . . an example of how creative engineering and efficiency enable PG&E to provide for $1 the same gas and electricity that cost $1.28 elsewhere.*

DRUGGIST Elton McGraw (center) accepts certificate from Lou Minkin (right) and Al Belotz as Daly City's "Business and Professional Man of the Month," an honor bestowed by the Rotary Club. McGraw has been in business here since 1928.

ROTARY CLUB SELECTS

Veteran Pharmacist Elton Andrew McGraw DC's 'Man Of Month'

Meet McGraw—Daly City's, that is!

He's the druggist who has been in business at the corner at 6300 Mission street since October 28, 1928.

A loyal Lion and Chamber of Commerce booster, Elton last week was named Business and Professional "Man of the Month" by the Daly City Rotary Club.

Elton Andrew McGraw saw the first light of day in South San Francisco where his dad operated a wholesale meat firm and later served 25 years as an Industrial City policeman.

"I got into the pharmacy profession just by circumstance," recalls the popular Mission merchant. "I was looking for a part-time job at 14 and my dad knew this pharmacist — and, well, that's how I got started."

After graduation from South SF High School where he was "pretty fair" in baseball and basketball, Elton went to Cal and got his degree in pharmacy.

He and his wife, Mary, and son, Thomas, 10, reside at 135 Paraiso street in San Francisco. Elton's mom is "about 80" and has lived in South City at 529 Grand avenue the past 55 years, he revealed. Mother McGraw is a genuine north county pioneer—she was born in Half Moon Bay.

Elton's dad, Henry, a native of Kansas City, passed away six years ago. "They still remember him over there as he was a popular man," Elton beamed.

The drug store business "has its moments," McGraw reminded in answer to a question about the frequency of burglaries and holdups.

"I guess our biggest raid was about 10 years ago when a dope addict tunneled into our storeroom after hiding out in Masonic Hall on Hillcrest. He only took about $200 worth (to us) of narcotics, but I guess his 'market' would pay highly for it. Anyway, they finally tracked him down in San Mateo about eight months later," McGraw declared.

Elton is a leader in the Mission street commercial district improvements and expansion program. He knows the value of a "balanced" shopping district on the Mission strip—to the city as a whole.

McGraw fits the description "civic leader" almost to the hilt. He has pride in his community and has watched Daly City grow to what Rotarian Paul Hupf calls "the threshhold of importance."

Rotary President Lou Minkin and "Man of the Month" project chairman Al Belotz, both Westlakers, presented Elton with a plaque last Friday at his Mission store.

It was an honor well deserved.

League Of Women To Weigh November Ballot Issues Here

The regular monthly unit meetings of the Daly City unit of the League of Women Voters will be resumed starting Wednesday night, October 5, at 8 p.m. at 157 Wilshire avenue.

The program will be discussion of the November state ballot measures together with "pros and cons" of each. The 15 state ballot measures, including the Water Bond Act, are of unusual interest to all California voters. All women of voting age are invited to attend.

Top Demo Trio Lead Kennedy Drive In County

Three Democratic party leaders were named today to direct the Kennedy for President campaign in San Mateo county.

The appointments, announced by Thomas C. Lynch and William H. Orrick Jr., co-chairmen of the Northern California Kennedy - Johnson committee, are:

Robert J. Dell'Ergo of Redwood City, who will be county chairman; Emil "A" Holgerson of Half Moon Bay, who will be 26th Assembly District Chairman, and David Friedenberg of Daly City, who will be 25th Assembly District Chairman.

Friedenberg, an attorney at 375 South Mayfair avenue, Westlake, is president of the San Mateo County Council of Democratic Clubs, a member of the United Democratic Fund and a former member of the executive committee of the Democratic State Central Committee.

Born in San Francisco, Friedenberg was educated at George Washington High School. He was graduated from the University of California at Berkeley and completed his legal training at U. C.'s Hastings College of the Law.

Friedenberg is married and has one daughter. His home is at 15 Highland avenue, Daly City.

Overseas Mail Deadlines Told By Postmaster

The period October 15 to November 10 has been designated for mailings to points overseas in order to assure delivery before Christmas, Postmaster Vincent P. Murphy of Daly City announced today.

Air service is available to practically every country in the world. It is recommended that air mail parcels be mailed in the early part of December in order to reach the addresses before Christmas, Murphy stated.

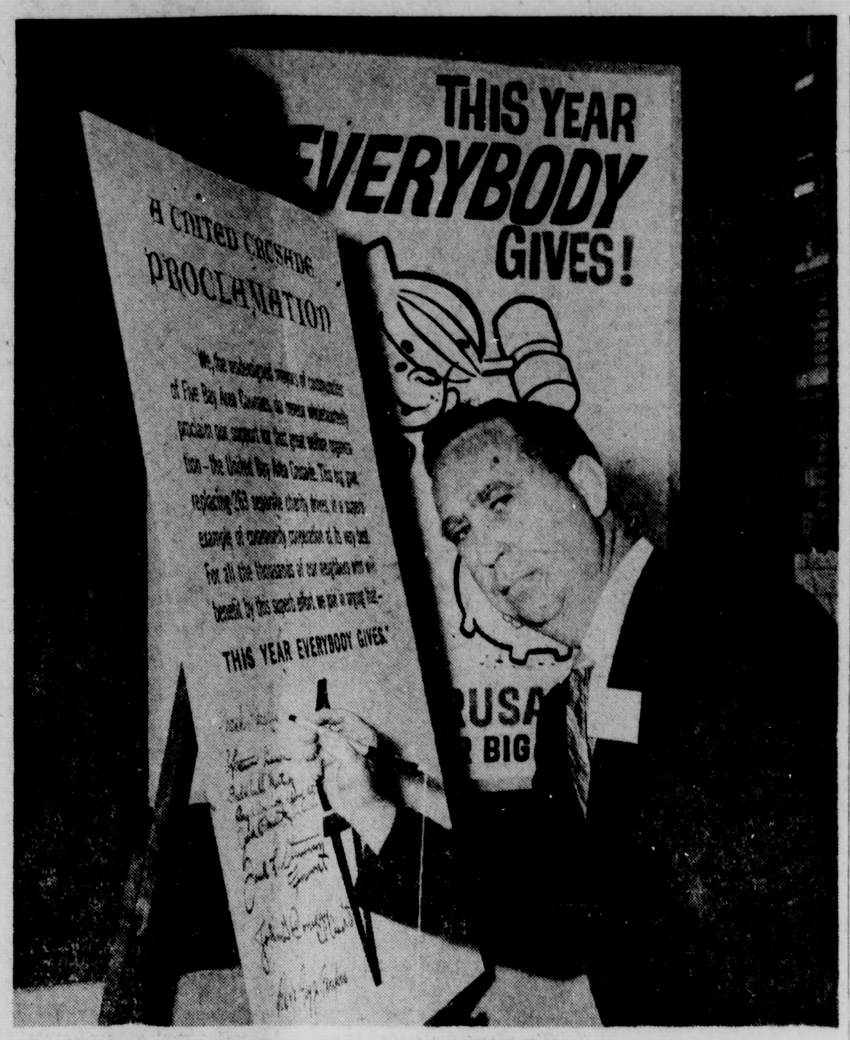
The long sea transit frequently involved in the transmission of parcels by surface means, customs declarations and inspections, and other formalities that parcels may be subjected to in the countries of destination, require that mailings be made as early as possible to assure Christmas delivery. Surface parcels mailed not later than the following dates will normally reach their destination before December 25th:

The Far East, October 15; The Near East, November 1; Africa, November 1; Europe, November 10; South and Central America, November 10.

Murphy announced that every assistance in packing information, required forms, etc., is assured mailers in all stations of the Daly City Post Office.

Model Home Looted

A burglar forced open the front door of a furnished Westlake Terrace model home one evening last week and made off with a $200 TV set and two bedspreads worth $60.



MAYOR Francis P. Pacelli of Daly City was one of the eleven San Mateo County mayors attending a five-county Kick-Off for the United Bay Area Crusade on Monday, September 19. Immediately following the ceremonies, a campaign for a total of $11,250,000 got underway throughout San Mateo, San Francisco, Marin, Alameda and Contra Costa counties. In San Mateo County, the 1960 Crusade goal of $683,849 will help support a total of 29 member agencies in the youth, health and welfare fields.

Book Review Draws Throng

The first of this season's Thursday Matinee Book Reviews was held at the Westlake Bowl last week. Under the cosponsorship of Friends of the Library and the YWCA, it drew a good crowd to hear Sam Chandler, Daly City librarian, speak on the new library. Chandler took this opportunity to introduce other members of the library staff: Mrs. Maxine Gates, Miss Rose Marie Kraus, Cecil Saarinen and Mrs. Velna B. Yule. He also made references to Mrs. Joy Belle Jackson, who was unable to attend.

Mrs. Thomas E. Brewer, president, announced that the first of the Great Books Discussions previously announced for October 5 in the new library, will have to be held elsewhere since the library will not be ready at that time. Further information will be released when available.

Seen enjoying the coffee and doughnuts provided by the Westlake Bowl and Hunt's Doughnut Shop respectively, were Mrs. Howard Stites and Mrs. Elsie Garrison who are assisting H. Z. (Ted) Weibel in his duties as membership campaign chairman. Although Weibel has announced that the membership campaign will begin officially September 30, both Mrs. Garrison and Mrs. Stites could be seen enrolling new members as fast as they could fill out the membership blanks.

Homecoming Day

St. John's Ursuline High School announces this year's Homecoming Day for its alumnae and their children will be held Saturday, October 1, in the school auditorium, 4056 Mission street.

Margie Van Dyke is chairman of the affair which will start at 2:30 p.m.

Smorgasbord Set By Demos

The North End Democratic Club will hold a smorgasbord at Broadmoor Community Center this Sunday, October 2, from 2 to 6 p.m., proceeds of which will go towards meeting expenses at Daly City Democratic Headquarters.

Admission is $1.50 for adults and 75 cents for children under 12. The donation includes both food and drink, with no limitation on either.

Democratic candidates in the county, Dr. John Kaster, 9th Congressional District; William Gately, State Senator; and Robert Hardgrove, 25th Assembly, will be present to meet the guests and discuss issues in the campaign.

Anyone desiring tickets may get them by contacting Daly City Democratic Headquarters, WY 2-0482 or 2-0483; Dorothy Goetter, Hospitality Chairman, PL 5-3665; or Sophie Reinstra, PL 5-6737. Tickets will also be available at the door on the day of the smorgasbord.

Library Group Leader Cites Member Drive

(Editor's Note: This letter is in response to earlier letter-to-editor written by Timothy J. Christen on 9-21-60.)

Dear Mr. Christen:

I was so pleased to read your letter which appeared in the Daly City Record last week and to note that you share our interest in the future of Daly City's library system.

A large, active, dedicated membership is of course the basic requirement of any organization, and on September 30 the Friends of the Library will launch an extensive membership campaign under the chairmanship of H. Z. (Ted) Weibel. May I personally invite you to join? I am taking the liberty of sending you a membership form.

As you may well imagine, this campaign is absorbing considerable time and energy, and discussion of plans for the future must be set aside for the time being. However, immediately upon completion of this drive, the Board will have its regular monthly meeting. At that time, serious consideration will be given to your constructive suggestions re the proper outfitting of Daly City's splendid new library.

Permit me, again, to express my gratitude for your interest and my hope that you will become an eager, participating member of our organization.

Yours sincerely,
Leonore Brewer,
President

Firemen Praise Newspaper's Role

Dear Editor:

I, in behalf of the officers and men of the Daly City Fire Department, wish to express our sincere thanks to you for the splendid publicity given to the open house program at the new station.

We are very pleased with the great number of residents attending, and we are sure that the articles in the Daly City Record and Westlake Times did much to inform the people of Daly City of the new station.

Many thanks again for your continued cooperation

Sincerely yours,
M. G. Hanson

Annual 'Cane' Sales By Lions Set Oct. 14-15

Mission merchant Ed Byrne is chairman of the Daly City-Colma Lions Club "White Cane Day" sales, set for this area October 14 and 15.

This national Lions effort annually raises money through public donations for the sightless and those in need of optical aids.

Goal of the local men and their ladies auxiliary this time is $600. Last year the sales raised $200. The year before it was $525.

All funds remain in the Daly City-Colma area. Typical examples of how the money is used were the recent purchase of a Braille typewriter and eyeglasses for children from low-finance homes here.

The Lions and their women will be stationed in stores, banks, and on main street corners October 14 and 15 selling the canes. You can get one for your lapel with any contribution—regardless of how much. All money received goes to those who really need it!

Crowd Of 750 Here Inspects Fire Station

Recent weekend open house at Daly City's Firehouse 5 in Westlake proved that residents are sincerely interested in the work of the men who keep vigil on the community.

Bttn. Chief Mel Hanson, open house chairman, said 750 adults and children inspected the new station. They asked questions galore, watched demonstrations on the use of equipment, and "many were amazed that the building, fire alarm equipment and the apparatus all were purchased with city sales tax funds," said Hanson.

To cap the firemen-directed tours, participants were treated to coffee and donuts.

ASSIGN ROLES IN 'HAY FEVER'

The "Daly City Players" have selected the cast for their next play which will be Noel Coward's "Hay Fever."

The following have been cast in the female roles: Danya Rookard as Judith Bliss, a retired actress and mother of two grown children; Beverly Dixon as Sorel Bliss, Judith's daughter; Jean Alphin as Myra Arundel, the weekend houseguest of Judith's son; Janet Jensen, as Jackie Coryton, invited for the weekend by Judith's husband; and Marlene Sheridan as Clara, the housekeeper and ex-stage dresser for Judith.

The male roles are as follows: Paol Guaraglia will be David Bliss, Judith's husband and a well-known writer in his own right; Ray Navarra will play Simon Bliss, Judith's and David's son, who is a cartoonist; Richard Fahrner is cast as Sandy Tyrell, an amateur boxer and Judith's houseguest; and Allan Miller will play Richard Greatham, a diplomatist who is Sorel's guest for the weekend.

Reharsals began Monday under the direction of Travis Wert. The first performance is scheduled for December 9.

EAGLES TO VOTE FOR NEW 'VEEP'

All members of Daly City-Colma Aerie 1848, Fraternal Order of Eagles, are urged to attend a meeting at Eagles Hall Thursday night, October 6, at 8 o'clock.

President Cliff Cofield will preside at a special election to fill the vice president's job. The vacancy was created by the recent resignation of Eugene Arment, 271 Knowles avenue.

Kickoff Breakfast

A kickoff breakfast meeting for the Daly City-Colma business district United Crusade drive will be held next Tuesday morning, October 4, at Westlake Bowl, announces area chairman Paul M. Hupf, city attorney of Daly City. Businessmen have been invited to the 8 a.m. breakfast to view a film and will set their sights on a local goal of $10,000, Hupf said.

AROUND TOWN

By ROY HURLBERT

ALL smiles over the boom Mary's Help Hospital will mean to Daly City, Chamber of Commercemen last week went to the other extreme with concern over the "delay" on Thornton Beach development as a state park.

Although several officials have made promises about "expediting" the Thornton project, no work has begun on the site.

The Chamber of Commerce has done more than any other group or individual to get the show on the road.

* * *

SISTER Hermine, administrator of Mary's Help, acknowledges that the transfer from San Francisco will be a time-consuming and complicated process.

Funds—almost $10 million is the target—are the major concern.. Federal and state monies will be instrumental, and a public contributions campaign must take up the balance.

GEORGE and Hugh Smith Jr., the brothers who got $265,000 for the hillside hospital site, almost sold the 7½ acre parcel several months ago "to a Chicago firm which wanted to build an eight-story apartment building."

The vacant property abutting the hospital site is being eyed by other interests for a deluxe medical-dental building, patterned along the lines of the Westlake center.

CITY councilmen still haven't filled those commission vacancies. There are four openings—one each on the planning and personnel boards and a pair on the library commission.

The delay on these appointments is beginning to bother several City Hall spectators.

DOUBLE duty Veronica Frances Wight, city personnel secretary, finally has been relieved from her voluntary chore of taking minutes for the Daly City 50th Anniversary Celebration Committee.

"Vi" has attended all the event-planning sessions and has coordinated the paperwork. Her successor will be paid for the duty.

CIGARETTES a cause of cancer? You couldn't prove it by Dr. Harold (Hal) Chope, director of the county's health and welfare department.

Addressing the Chamber of Commerce here last week, Hal chain-smoked throughout a brief talk on his office's functions.

And he didn't cough once!

IRONICAL that the Citizen Committee For Good Governmen's new "campaign headquarters" on Mission street is the identica building in which the "Yes On Callan Park Committee" hit high gear.

DALY CITY's new subdivision ordinance, tougher now as it should have been in the first place, puts more power in the hands of the planning commission. This is "the" board as far as city commissions are concerned—where the decisions can make or stymie any builder.

CITY Engineer Bill Chapman, former varsity wrestler at University of Illinois, has a by-lined article in the September 8 issue of the Engineering-News Record, national publication read by public works directors and related personnel.

The full-page spread explains Daly City's unique Reservoir No. 6 in Westlake 11 which features an additional tank within its interior. This is the only such "tank within a tank" in the United States.

Chapman "authors" the credit to his former boss here, Otis T. Calhoun, but actually the idea and design layout were done entirely by Bill.

JEFF High football coach Joe McGrath seldom raises his voice in instructing his boys—either in practice or during a game.

Joe couldn't if he wanted to.

During World War II his vocal cords were severed by sharpnel in European combat action. Field surgery not only mended the damage—it saved Joe's life.

CHARLIE Maschinot, the proud daddy of five daughters and Daly City's only surviving dogpoundmaster, became the first civilian police dispatcher here in August of 1957.

Since that time, eight other civilian dispatchers have come and gone from City Hall.

Machinot's counterparts have fled to greener pastures—one's a Navy ensign, another is now a high school teacher, one is police dispatching in South City, another is back at U.S.F. to complete law school, and two others are police officers with other cities.

Charlie is holding the fort and figures to stay. His police pals hope so.

EVERYBODY GIVES! — Mrs. Virginia Poblitz of 95 Fairlawn avenue was among the United Bay Area Crusade volunteers who met poster boy Jay "Dennis the Menace" North at a reception for members of the Women's Division last week in the Planetarium at Golden Gate Park. Mrs. Poblitz, mother of four, is solicitating business firms in Daly City. She is a member of the Little Children's Aid Junior Auxiliary and a volunteer for Youth Guidance.

BIRTHDAY AND BEGINNING

Calvary Cross Church Schedules Sunday Ground-breaking Ceremony

Calvary Cross Church of Daly City will conduct its ground-breaking ceremony on the recently purchased acre-plot in St. Francis Heights this Sunday morning, October 2, at 11 a.m.

The preliminary part of the service will be conducted at Colma Community Center, 92nd and Dunks street, Daly City. Then the congregation will make a car caravan trip to the new property site for the remaining part of the ceremony. One of the unique features of the ceremony will be the opportunity for all the members of the congregation to spade with the "golden shovel." When each spades a shovel of dirt, he will sign his name to the attached tag on the handle. The shovel will then be encased in glass and placed on display in the lobby of the new church when completed.

The very first service of Calvary Cross Church was conducted on October 3, 1959, thus this ground-breaking service marks the first anniversary of the church.

Pastor Donald B. Sheley invites the public to share in the fellowship of this special service.

More truck crops are grown in the Western States than in all the North and South Atlantic States combined.

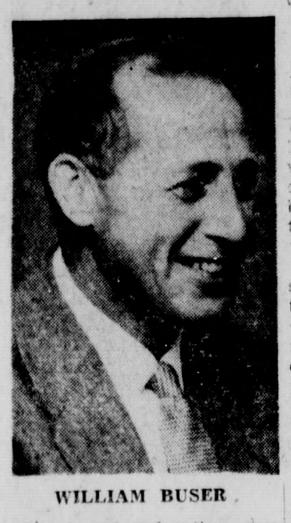
William Buser Gets $200 Award For Navy Work

William H. Buser, 778 San Diego avenue, Daly City, has received a $200 Sustained Superior Performance Award at the U. S. Naval Radiological Defense Laboratory in San Francisco, where he is employed as an engineering technician. He was the only member of the Laboratory to receive an Outstanding Rating for work performed during the period concerned.



WILLIAM BUSER

The award and rating were based on Buser's ability to assume responsibility for three or four projects simultaneously and carry them through to effective completion with a minimum of instruction, even though greater demands were placed on him than his position would normally require. He is an integral member of the Scientific research team. Buser has designed several special pieces of laboratory equipment, based on his knowledge of radiation measurement.

'NARRATIVE' SERVICE AT HOPE CHURCH

To assist all worshipers at Hope Lutheran Church, on San Fernando Way just west of Junipero Serra boulevard, Daly City, a Narrative Communion service will be conducted at 11 a.m. Sunday.

Along with the regular worship and communion is included a running explanation of the service. This service is not merely a demonstration, but is a means of actually increasing the worshipfulness of this service.

Assisting Pastor Louis C. Harting will be Chaplain Norman G. Folkers, chaplain from Beale Air Force Base.

The Lutheran Order of Worship is not just someone's haphazard arrangements of devotional materials, but is rather a natural unit of some of the best devotional expressions of the Christian Church. It is packed with drama and vitality. The various parts have stood the test of centuries of time. Many sections of it are drawn directly from the pages of the Bible. It is the feeling of the Board of Elders of the church that a reverent and intelligent use of its Order of Service can do a great deal to enrich the personal worship life of the participants.

All interested are invited to participate in this Narrative Service.

HOW ABOUT QUALITY

Many a car owner becomes so obsessed with the quantity of service he gets from a certain part of his car that he forgets all about quality, points out the National Automobile Club.

Consider the spark plug that gives 100,000 miles of service. That's a lot of service, but how about the quality?

JEWISH AWAIT HOLIEST 'DAY OF ATONEMENT'

Hundreds of Americans of the Jewish faith will gather in synagogues and temples this Friday evening at sundown to commence 24 hours of prayer and meditation.

This "day of atonement"—the holiest day of the Jewish calendar year — is still very rigidly observed by all segments of Jewry.

Although there are some ideological differences between the various denominational groups, they all cling to the basic concept of Judaism that man is God's creation and is therefore to account to the Creator for all that takes place in the life of the individual.

The prayers are usually chanted either traditionally or set to more modern forms of

RABBI SHORE

music. Many of the prayers—handed down through the centuries — contain eloquent poetry written in Hebrew.

Congregation B'nai Israel and Congregation Rodeph Sholom will hold joint services this year — thus offering several hundred people the opportunity to enjoy religious services conducted by Rabbi Solomon A. Shore of the Daly City congreation.

Shore reports that over 100 Jewish children have already registered for Sunday School at B'nai Israel, 67 Los Banos avenue, Daly City. Forty youngsters are attending Hebrew class on Tuesday and Thursday afternoons. The children are taught both Biblical Hebrew and modern Hebrew. Rabbi Shore teaches the Hebrew classes.

Women Slate Klatches Here For Younger

Women in the Broadmoor-Garden Village area joined together to show their support of San Mateo County's incumbent congressman, J. Arthur Younger. They are doing this by planning to give "Come-meet-your-Congressman" parties with Congressman Younger, who is running for re-election in November, as guest of honor. Neighbors and friends in the area are being invited to come to these informal gatherings so that they may meet Congressman Younger and address their questions to him on vital issues.

The first open house will be an afternoon kaffee klatch from 2:30 to 4 on October 5 at the home of Mrs. Jay E. Jansen, 1728 Sweetwood drive, Colma.

The second will be on the evening of October 14 from 8 to 9:15 p.m. at the home of Mrs. Beckwith Clark, 1220 Nimitz drive, Colma.

The third gathering will be an open house from 8 to 10 p.m., October 21, at the home of Mrs. Gene Edwards, 1715 Louvaine, Colma. Mrs. Edwards is an elected member of the San Mateo County Republican Central Committee. Dessert will be served at each of these parties.

Chairman of the group planning these affairs is Mrs. Jay E. Jansen, who is being assisted by Mesdames Gene Edwards, Beckwith Clark, Charles E. Abel, Fred Pattison and G. Dewey Vladyka.

RECORD CROWD FOR HILLSIDE PTA SESSION

Hillside PTA's initial fall meeting brought a record attendance of 200 parents and friends—and there were plenty of dads among them.

The unit's membership drive, October 10-28, and the Saturday, October 22 paper drive, were the principal agenda items. Guest speaker was District School Superintendent Richard L. Foster who explained the district's program and objectives.

A check for $45.50—proceeds of the PTA's ice cream sale—was presented by Mrs. Georgia Solari. She also urged residents of the community to save papers and old magazines for the October 22 drive. For pick-up service, contact Mrs. Helen Risso, PL 6-0797, or Mrs. Solari, PL 5-0092. They need more paper drive helpers and additional trucks.

Mrs. Florence Koshaba urged attendees to get more members for the unit. The individual Colma K-6 and Colma Intermediate classes with the most parents in PTA will be awarded prizes. PTA President Ed Maita especially wants more fathers to join the unit and attend all meetings.

Mrs. Inez Baldassarree displayed the colorful PTA attendance award banner which was won this month by Mrs. Gibbons' kindergarten class and Mr. Cose's intermediate class.

Mrs. Lydia Petersen, hospitality chairman, announced the hostesses for the evening were executive board members who served cake and coffee.

Mrs. Kraus' Girl Scout Troop 70 opened the meeting with presentation of the colors.

FUN GALORE AT THESE TOP SPOTS

BIG FESTIVAL 'SUCCESSFUL' AT HOLY ANGELS

Holy Angels' Fall Round-Up ended Sunday evening by being "rounded-up" by the Seitz family.

Ambrose Seitz Sr. (from Portland, Oregon) was the winner of the first award—$2000 cash. Minutes earlier Miss Lourie Seitz, his granddaughter, was awarded the Doll Booths second prize of a Betsy Wetsy Doll.

Harry Kneiss, 170 Forest Knolls, San Francisco, was the second award winner of $500 cash. Third award went to James Stout, 244 First avenue, Daly City, in the amount of $250.

Miss Vicky Fallon, 484, A street, Daly City, is the happy winner of the doll booths major award, a 36-inch Patty Play Pal and complete wardrobe. M. Desmond, 126 Santa Paula, Daly City, was awarded the 15-inch nun doll.

John Putkey announced that the chicken barbecue dinner was "an overwhelming success so much so that the committee had to work a double shift in order to service the crowd."

Holy Angels Fall Round-Up Committee wishes to thank all the merchants and those people who helped in making this year's festival "one of enjoyment and success," Putkey said.

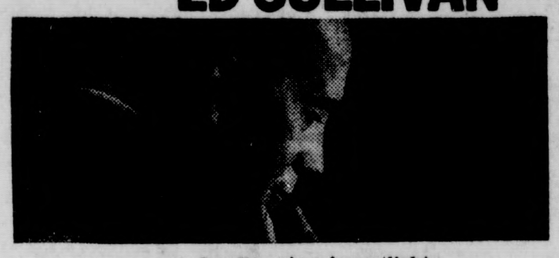
ED SULLIVAN



... puts San Francisco in spotlight

Bay Area First In 'See America With Ed Sullivan' Series

By Mona Baker

To condense the color, beauty and charm of San Francisco into a one hour television show seems like quite a task, yet Ed Sullivan seems to have accomplished just that in his premiere CBS telecast "See America With Ed Sullivan" (Oct. 16, KPIX) honoring the world-famous Bay Area city. To bring the flavor of San Francisco to he nation's viewers, talent and camera crews have been on location here the past couple of weeks taping scenes for the telecast—all the way from lovely Dorothy Kirsten singing an aria from "Madame Buterfly" with the exotic background of the Japanese Tea Garden to noted comedian and satirist Mort Sahl and The Limeliters from the Hungry I night club.

The telecast will be the first program in a series originating in cities throughout the United States. Mr. Sullivan, in discussing the coming programs at his press conference, was most enthusiastic about the many interesting and colorful places in the "City by the Golden Gate" and said in discussing other cities "It is going to be tough to follow San Francisco."

The Ed Sullivan show is the oldest hour-long show on network television and has been honored by hundreds of awards and citations including international awards from both France and Italy. At he request of the U. S. State Department his program was presented in Russia last year before over 250,000 people and for which he said he received "tremendous reception with litle children bringing flowers right up on the stage to the performers during their acts."

During the past twelve years Sullivan has traveled over a million miles to bring outstanding entertainment, both American and foreign, to the television audiences. He has launched thousands of young performers on successful careers. His American cities telecasts should add further laurels to his career and certainly stimulate interest among Americans to visit some of their colorful cities.

DATES TO MARK: Two important local premieres for KGO-TV: New educational historical series titled "Expedition California" (seen every 3rd Tuesday of month) produced by Channel 7 in cooperation with Northern California school advisors, premiering Oct. 4, 7 p.m. On Oct. 2, 11 p.m., five noted guests, Governor Adlai Stevenson, actor Sterling Hayden, Grace Cathedral's Bishop Pike, San Francisco Opera star Mary Costa and author Eugene Burdick will join Herb Caen and William Winter in a new conversation show, "Baghdad by The Bay."

Returning for its eleventh year on the air, one of the Bay Area's most distinguished television programs "Science in Action" with Westlake resident Dr. Earl Herald as host is seen Monday evenings, 7 p.m., over KRON-TV.

KQED's instructional television service for Bay Area schools begins on Oct. 3, marking the third consecutive year for this service over Channel 9. Teleclasses are held in morning and early afternoons, Mondays through Thursdays.

FOR YOUNG AND OLD

Episcopal Church Invites Public To 'Fun Circus' Carnival Here

Games! Prizes! Dancing! Bazaar! Chicken Dinner! Fun! All add up to an exciting worthwhile day for everyone at the Fun Circus on Saturday, October 8, from 2 to 10 p.m. Sponsored by the St. Martin's Episcopal Church in Daly City, the Fun Circus will be held on the spacious lot at 777 Southgate avenue, Westlake.

A carnival atmosphere will prevail for the day as the many and varied booths will get the Circus off to a fast start. There will be 6 to 8 large tents where the fancy work, games, parcel post booth, Xmas decorations, and many other enterprises will be offered. There will be an attraction for every age group from the very young to teenagers to the adults.

From 5 to 7:30 p.m. a three course chicken dinner will be served upstairs and everyone is invited to attend. The cost for adults is $1.75 and for Juniors, $1.25. There is no charge for children 4 years and younger. From the tickets purchased for the dinner an attractive award will be presented. The tickets can be purchased now by calling Baxter Sharp at PL 6-5790. They will also be sold the day of the Fun Circus.

To round out he day's activity, there will be dancing from 8 to 10 in the evening. Specially recorded music will be used and the admission is set at 50 cents a person. General Chairman Mrs. Mona Stansfield urges everyone in the community to come and bring their family and friends.

Parish Women's Fashion Affair 'International'

Fashions by the City of Paris will be shown at the "International Fashions Festival" of the Sodality of Our Lady of the Assumption of St. Thomas More Parish at Lakeside Olympic Club on October 22 at noon.

Mrs. Wil Medeiros and Mrs. Robert Keeffe, co-chairmen of models for the fashion show, announce that the latest Fall fashions will be modeled by Miss Rose Desmond and the Mesdames Karlyn Ashe, Kenneth Larson, Raymond Duggan, Alfred Palacios, James P. Kelly, James A. Mayer and Lois McNamara. Collegian and teen styles will be shown by Mary Jane Flynn and Bernadette Barry.

Reservations may be made with Mrs. James P. Kelly, JU 6-7217, or Mrs. D. H. Robinson, JU 6-8275.

Chamber Slates Fall Golf Trip On Columbus Day

Grab your clubs men — for Daly City Chamber of Commerce's annual Fall outing—Wednesday, October 12, at the Silverado Country Club.

The Columbus Day special is being arranged by Pete Markovich, PL 5-2262, and reservations must be made immediately. The $15 tab includes 7:30 a.m. breakfast at Westlake Bowl, bus transportation to and from the site, the golf tourney, and an evening awards banquet.

Markovich expects from 70 to 75 Daly City golfers to participate in the big shindig.

Contact him or Gene Harrington of Westlake for reservations.

Garden Club's Next Guest Is Richfield Man

Mrs. Dora Kusber, program chairman of the Daly City Garden Club, announces that William R. Graves of Richfield Oil Corporation's Conservation Department will be the speaker and show motion pictures on "California and Its Natural Resources" at the regular monthly meeting of the Garden Club, which will be held in the War Memorial Community Center, Mission and Alp streets, Daly City, on Tuesday evening, October 4, at 8 p.m.

All regular meetings of the Daly City Garden Club are open to the public and admission is free.

CUB PACK 63 OPENS SEASON IN WESTLAKE

Cub Pack 63's first meeting for the season will be held at Westlake Clubhouse this Thursday evening, September 29, at 7:30. Herb Perluss, Cubmaster, has planned a very interesting season for the pack.

Along with other activities, 12 new cubs will be installed in the colorful Indian ceremony traditional to Pack 63.

Two new Lion-Webelo Dens have been formed. All interested boys and parents are invited to attend this meeting, or to call Perluss at PL 5-9317.

'Moon' Expert In Free Lecture At S. F. State

Dr. Dinsmore Alter, director emeritus of Los Angeles' Griffith Observatory and consultant for North American Aviation's Aero-Space Laboratory, will present an "Introduction to the Moon," free to the public, at San Francisco State College's Main Auditorium at 8:15 p.m., Wednesday, October 5.

Characteristics of the moon as well as findings of Soviet rocket pictures of its reverse side will be discussed by Dr. Alter, speaking under the auspices of the Morrison Foundation and the College's Physical Science Department. Dr. Alter, a resident of Berkeley, is considered one of the top ten U. S. lunar experts.

If visibility permits, a dozen telescopes provided by San Francisco amateur astronomers will be provided for observation of the moon after the lecture.

Governor Asks Daly City Trio To Conference

Three residents of Daly City have been invited by Governor Edmund G. Brown to be among the 3000 Californians expected to attend the Conference on Aging in Sacramento, October 3 and 4. General sessions will be at Memorial Auditorium in the Capitol City beginning at 9:45 a.m., October 3 and ending at 3:30 October 4.

The local delegates are Mrs. Louise M. Barnard, 259 Los Banos avenue; Frank Clarvoe, 80 Forest Grove drive, and Dr. Jack Elfant, 75 Midvale drive.

"Not only do the elder citizens of California comprise a sizeable portion of our state's present total population," Governor Brown said, "but each year this group is increased by 40,000 persons. Problems and needs also grow. In view of the extreme interest in this vital matter, I am most eager that a representative group of our citizens come together to study ways to help California achieve a needed blueprint for action. Solutions to these complex problems long have been matters of grace concern to me, and as a result, I have called this conference to explore, to highlight and to implement the ways and means of maintaining California's senior citizens as useful and happy members of our communities."

The conference is divided into 10 major divisions and more than 30 discussion groups.

The Carnegie Institute of Technology was founded by Andrew Carnegie in 1900.

SECOND ANNUAL 'FUN MATCH'

Westlake Kennelists Set Big Dog Show At Marchbanks Park

Westlake Kennel Club's second annual Fall Fun Match—for puppies and hounds of all ages—will be held Saturday, October 15, at Daly City's Marchbanks Park.

Club President John Hunt said trophies "by the truckload" will be awarded in conformation and obedience competition. Registration is at 9 a.m. at Marchbanks the day of the event. The judging starts an hour later.

Judges will be: Juanita Howard, Lafayette; Gloria Moulton, Project City; Margaret Watt, Roseville; Mrs. Daniel Rost, Santa Rosa; Mrs. John Gianelli, Stockton; Mrs. L. M. Trenner, San Francisco; Isabell Chada, San Rafael; Jim Whitehouse, Oakland; Barbara Wilson, South San Francisco; Joseph Kelly, Daly City, and Dr. E. N. Gregg, Martinez.

Last year's show at Marchbanks filled the park with entries and spectators. The spectacle is open to the public at no charge.

For more details, call Mrs. Mary Hercsuth, club publicity chairman, PL 6-4339.

Big Barbecue Set For Lions At J-Serra Park

Members of the Daly City-Colma Lions club, their wives and youngsters and friends will invade Junipero Serra Park in San Bruno this Sunday, October 2, for the unit's annual barbecue.

Joe Rohl and John Putkey are in charge of reservations, with George Glass and Elton McGraw taking care of other main details.

Spareribs will be served at 12:30 p.m. and the steak dinner at 4 in the afternoon. For the kiddies, it will be hamburger steaks. The fee is $3 for the steaks and 75 cents for children's plates.

A film on the "Echo" satellite will feature this week's Lions meeting. Last week Daly City Manager Edward Frank addressed the club on city finances.

On October 5, the Lions will be guests of the Daly City Rotary Club, 12:15 p.m. at Westlake Bowl banquet room.

The Lions' annual White Cane sales to aid the blind are set here October 14 and 15. Ed Byrne is sales chairman.

Jo Putkey of the ladies' group indicates there will be no dinner meeting in October for the Lionesses. Instead, the women will hold a Halloween party at the "Cheerio" Club in St. Francis Heights. (Mary Wilson will be in charge, assisted by Nellie Ling.)

Frosh Moms To Be Treated By Jeff High PTA

Mothers of freshman students at Jefferson High School will be honored at a tea given by the Jefferson PTA this Thursday, September 29, from 3 to 5 p.m. in the school cafeteria. A special committee assisted by executive board members will serve refreshments.

Principal John Mongan will give the welcoming speech and introduce faculty members to the mothers. This is an ideal time to become acquainted with your child's teacher. A good parent-teacher-pupil relationship can bring about better understanding and greater harmony.

The Jefferson High School PTA extends a cordial invitation to all mothers of freshmen students as well as those students in other classes to attend this first informal "get-acquainted" affair.

Mrs. Joseph Kusber, PTA president, said more than 1000 invitations were sent home through students last week.

The power plants of the Grand Coule Dam in Washington hold all records for production of electric energy.

Holy Angels Guild Women To Review Festival Results

Holy Angels' Women's Guild will hold their second meeting of the year on Wednesday, October 5, at 8 p.m. in the parish hall.

Under old business, the president, Mrs. Ellis, will give a report on the Fall Festival which ended Sunday. Plans will be presented for the Guild's annual fashion show by Mrs. Thomas Gaffney. The show will be held in early February.

Communion Sunday for the Guild is October 2 at 9 o'clock Mass. All women of the parish are invited to attend both the Mass and the meeting.

Announcing the 1961 Ford . . .
Beautifully proportioned to the
CLASSIC FORD LOOK

An honor to be proud of, this is the medal presented by the international fashion authority, Centro per L'Alta Moda Italiana, to the 1961 Ford for functional expression of *classic beauty*.

The 1961 Ford Galaxie Club Victoria—beautifully built to take care of people

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you . . . *and for itself!*

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. Goodbye grease racks! What's more, it cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford . . . beautifully proportioned to the Classic Ford Look . . . beautifully built to take care of itself.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

LUBRICATES ITSELF. You'll normally go 30,000 miles without a chassis lubrication.

CLEANS ITS OWN OIL. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

ADJUSTS ITS OWN BRAKES. New Truck Size brakes adjust themselves automatically.

GUARDS ITS OWN MUFFLER. Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

PROTECTS ITS OWN BODY. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

TAKES CARE OF ITS OWN FINISH. New Diamond Lustre Finish never needs wax.

Indians Travel To Meet Menlo-Atherton

McGrath Hopeful As Jeff Platoons Get Set For Their Eye-Opener

Coach Joe McGrath takes his "two platoon" Jefferson varsity gridders to Redwood City this Friday for a season-starting 3 p.m. practice tangle with always rough Menlo-Atherton of the South Peninsula League.

McGrath hopes Jeff's record of three wins over Menlo-Atherton in as many games will be extended. As in 1955 when Jeff wasn't supposed to win a game and finished with a 7-2 record with one of the school's greatest teams, this campaign could be a corker.

McGrath's regulars are mostly little-tested juniors and a few seniors who haven't played enough to be predictable. But they do hustle and nobody knows how much they might jell in actual combat.

The Indians will have five juniors, five seniors and one soph starting on the offensive unit. The quarterback will be senior Stan Montalbo, up from the jayvees. Senior George Claus and junior Sam Ennon are the halfbacks, and junior Bob Kaspar is 160-pounds ready at fullback.

Jeff's ends when the Indians have the ball will be junior Richard Reitz and senior Mike Kennedy. At tackles it will be soph Al Lonstrom and senior John Souza. The guards are junior Craig Garcia and senior Daryl Cohn. Junior Joe Bolentini, 180-pounder, will handle center chores.

On defense, McGrath has senior Steve Albert and junior John Mareno at ends, juniors James Parker and Al Cascicedeo at guards, senior Gino Bertolini at center, seniors Bob Guerrero and Eric Neuner as linebackers, seniors Tony Montalbo and Sal Blas at wingbacks, and junior Duane Baswell and soph Jack Durham as twin safetymen.

End hopeful Hiram Sibley will be missing via a "knee" injury. He was nip and tuck with Reitz for starting duty.

Behind Stan Montalbo at QB is junior Bob Miller, another JV product.

Davila Sets Cross-Country Record Here

Anibal Davila set a Jefferson High course varsity cross country record Monday when he ran 1.9 miles in 9:35 against Galileo. The Indians lost, however, 27-29.

Jeff's junior varsity won, 23-49.

Last week at Carlmont, Davila won the varsity romp in 10:33, tenth fastest time for that course. This was a four-way meet and included San Mateo and Burlingame.

Westmoorites Safety Check Their Autos

Westmoor's Automotive Safety Club and the Advanced Auto Shop classes under the direction of George Chrestionson have inaugurated a new program of checking students' automobiles. This program was requested and initiated by the student executive board and the students of the Automotive Safety Club.

In order to receive a preferred parking space, the students' automoblies must pass a ten-point safety check. Included in this check made by the safety club and advanced auto students are brakes, pedal clearance, stopping distance, lights, turn signals, windows, steering, tires and horn.

Beginning this year all student cars driven to school must be parked in the Westmoor parking lot and registered with the Safety Club. Preferential parking is given to those students whose cars pass the safety check.

The University of California has eight campuses throughout the State.

BOWLING, GOLF, SWIMMING

New Sports Program For Teens Sponsored By YWCA, Westmoor

Westmoor High's Physical Educational Department and the YWCA of North San Mateo County are sponsoring a joint teen-age activity program designed principally for the double session students. Bowling, golf and swimming are the activities offered at the present time.

Beginning October 3 at the Westlake Bowl, bowling teams of four members will be formed. Each team will bowl two games a week with Westlake Bowl personnel handling the formation of the league as well as instruction and collection of fees. The YWCA will handle registration and offer supervision. Fees are 40 cents a game, 10 cents trophy fund, and shoes are free.

On Tuesday, October 4, golf classes will be conducted for boys and girls every half hour from 1 to 3:45 p.m. at Winston Manor Range in South San Francisco. Tom Kerrigan, professional golfer, will conduct the six week classes. Clubs will be provided and likewise transportation. The only fees are $2.50 for the six week lessons and 50 cents a bucket for balls.

Teenagers will be able to swim at Larsen Pool, 19th and Wawona streets, San Francisco, on Wednesdays and Fridays. Beginning and intermediate classes for boys and girls will be conducted by Jean Curry and Ernie Hummel. Classes of twelve students will run for six weeks at a time. In addition, two fifteen minute periods have been set aside for coed swimming after classes. $3.60 pays for the classes and all students must bring their own suits and towels; girls are also to bring caps.

Registration for all these activities will be through the Westmoor Physical Education classes under the direction of Anthony Giammona.

Gonella Girds Oceana Gridders (Eager Crop Of 90 Pacificans)

After two weeks of picking veritable rabbits out of the hat, Oceana High Head Football Coach Floyd Gonella is starting to assemble a football team from a squad that earlier resembled a DeMille mob scene more than a group of young athletes.

One thing Gonella and his staff, Jess Jones and Roger Miller, don't have to worry about is rebuilding. They don't have anything to rebuild with —not even third stringers from the "Goof Squad." This will be an entirely new production, from the ground up.

What do you do with 90 kids, many of whom have never played organized football before? You separate the big ones from the small ones and call them linemen and backs, and then try to teach them the bare fundamentals—blocking, tackling, timing, body position, all of the little less-than-glamorous things that make a team out of a mob. And then you hope you're ready by October 7 for an experienced San Carlos squad.

"Agressiveness and hustle, who can learn plays quickest, that's what we're looking for now," says Gonella, "The real talent hunt begins when we get the squad down to a workable size, when we've seen them under fire."

In the meantime, a few names have emerged from the mob.

Don Katona has been doing well at quarterback, and has been flanked ably by halfbacks Roland Isnor and Jim Boyette. They have been given support up front by end Joe Gardner, tackle Bob Aslin and guards Chuck Hubel and Manuel Pick.

As of now, Gonella isn't promising anything fancy. As he says, and he means it, they are going to play fundamental football, concentrating on blocking and tackling and attempting to achieve a balance between offense and defense.

Right now, only 14 Winged-T plays (10 running, four passing), variations and all, are being crammed into the players' heads. The emphasis is on running only because it is less dangerous, and, more importantly, because no outstanding passers have come upon the scene.

San Carlos, as previously mentioned, is a more experienced squad, even though it too is comprised of freshmen, sophs and juniors. Many of the boys, however, have had previous experience at Hillsdale High, from where they transferred. They also have the advantage of being on a single session, which means that talent isn't being split up the middle.

Daly City Marine With Seventh Fleet In Far East Waters

Marine S-Sgt. Jesse C. Newman Jr., son of Mr. and Mrs. Jesse C. Newman, of 175 Mariposa avenue, Daly City, and husband of the former Miss Rachel M. Vasquez of Colton, is serving with the Floating Battalion of the Third Marine Division aboard ships of the Seventh Fleet operating in the Far East.

The battalion, made up of the Second Battalion, Fifth Marine Regiment, will participate in joint exercises with troops of other free nations in the Western Pacific and will call at ports in the Philippines, Hong Kong and Korea.

The unit is expected to return to Okinawa in October when it will be replaced by a similar force.

Westmoor's G.A.A. Starts Activities

Westmoor High School's Girls' Athletic Association recently announced their 1960-61 program under the leadership of Penny Tweedie, president, Barbara Sawtell, vice-president, and Margaret Mori, secretary-treasurer. After school activities include volleyball, basketball, trampoline, modern dance, badminton, and softball. The above sports will be started next week.

Evening activities are planned for two GAA awards dinners along with a mother-daughter and father-daughter fun night. Miss Barbara Bosio, Westmoor P. E. instructor, is faculty advisor.

Mission Cagers Trip Jeff Fives In Lid-Lifters

Jeff High's lightweight basketballers opened the season on the losing end of decisions to Mission High of San Francisco last week.

Mike Orlich's 10's lost, 33-27, and Rick Warne's 20's went down, 37-35. Center Steve Willis led the Indian 10's with nine points. Next was Mark Perry with 7.

Jerry Wills paced the Jeff 20's wih 13 points.

Orlich's mainstays are Wayne Stoller, Skip Del Sarto, Alan Stoller, Irwin Wong, Duane Robinson, Mike Scatena and John Quan.

Warne's squad includes Ernie O'Dell, Bill Easley, Bob Soldera, Louis Quan, Wayne Crane, Tom Glaser and Tom Gomes.

GATOR ELEVEN SEEKS NO. 13 AT CAL POLY

Victorious in two games so far and working on a 12-straight victory streak, San Francisco State's varsity gridders travel to meet Cal Poly of Pomona this Saturday.

Coach Joe Verducci's Gators blanked Long Beach State 20-0 Saturday at Cox stadium as fullback Bill Breslan led the charge. A week earlier the Gators defeated U.C. of Santa Barbara, 12-0.

Verducci's 1959 team won 10 without a loss and the head man was named "Northern California Coach of the Year."

The Gators are paced by halfback Charlie Fuller and fullback Willie Simpson, both solid "pro" propects.

Drag Strip Improved At Half Moon Bay

Directors of the Half Moon Bay drag strip have awarded a contract to Freeman Paving Company of Palo Alto for resurfacing and leveling of the drag strip. It has also been arranged to extend the course an additional 300 feet as an added safety feature.

The new course was ready in time for last weekend's appearance of World Drag Strip Champion Don Garlits and his record-breaking "Swamp Rat."

Junior QB At Helm As Senior-Led Rams Take On Woodside

Eight seniors will be in Westmoor High's starting lineup here Friday afternoon at 2:45 o'clock when the Rams open the '60 football scramble with a practice game against Woodside of the south Peninsula.

Coach Pete Matisi's offense is geared around junior quarterback Steve Funai and senior vets Tom Dake and Walt Prouty at the halves. Junior Harry Brown will start at fullback.

Up front, the lone junior is rugged returnee Daryl Ober at center. Chris Hanson and Tom Robbins will be the ends, Ken Magoon and bulky Tom Fyrdenlund at tackles, and Roger Austin and Jim Wade will be the guards.

Funai, who played outstanding ball the tag end of last season, is backed by soph Mike DeBernardi. Mike Seelig will see duty behind Brown at fullback.

Woodside, a school so new its football field still isn't completed, defeated Westmoor by one touchdown last year in a see-saw battle.

The Rams won but one game in 1959 (over rival Jeff High), but Matisi, with Funai and Dake and Prouty at their best, has high hopes this campaign.

Westmoor has good balance —a potentially strong air game and perhaps two All-League candidates in Dake and Prouty, the Rams' big ground gainers a year ago.

Poly Quintets Beat Westmoor

Poly High's lightweight cagers tripped Westmoor's 10's, 31-30, and the Ram 20's, 44-37, in opening practice games for both teams.

The Ram pacesetters were Tito Torres and Tony Bento, both with 8 points for the 10's, and Mike Frank, with 10, and Tyrone Tolomei, 8, for the 20's.

League action for Westmoor starts Thursday next week at Burlingame.
